MESSAGE FROM CEO

Central Freight Logistics has growing reputation as a Provider of total solutions for logistics needs. The clearing and forwarding industry in addition to transportation and logistics are ever changing and becoming even more sophisticated. Players of these industries have to constantly innovate and upgrade their operating methods to serve their clients more efficiently and cost effectively.

“To continue to earn a reputation of integrity, service and diversity that is unmatched in our industry, The Dependable Difference. In order to achieve these lofty objectives, we must hire and retain only the most qualified and dedicated individuals who share The Company’s vision.”

Our status as a diversified, premiere third party logistics provider is dependent upon our ability to provide only the highest level of service to our customers, maintain a necessary profit margin, and to recognize opportunities and react to changing market conditions well ahead of our competition.

I am extremely proud of our staff and what they have accomplished. Feel free to get in touch with us to serve you.

Bryan Sikalubya

Provide More Efficient Solutions”**

OVERVIEW

Central Freight Logistics & Shipping agent Limited established in 2008 used its local expertise to cross international borders and serve an ever expanding global market especially in Zambia, Tanzania, Angola, Mozambique, South Africa, Kenya Congo DRC, China, Dubai, USA and India Over these years we have established ourselves as a traditional and leading Freight and forwarding Company.

We also offer a diverse portfolio of freight and logistics solutions. Our core specialties also includes Port/border clearance and road transportation from all ports, handling of Copper concentrate and Sulphur. We currently handle all exports for Access Freight Africa, Konkola Copper Mines, Chambishi Copper Smelter and Chambishi Metals. We move Sulphur from Richards Bay into Ndola. We handle from 20,000 – 15,000 tons per month into Dar es Salaam, Beira, Johannesburg and Walvis Bay by road transportation and further ship to the final destination. The efficiency and effective manner in which we work has made Central Freight Logistics to be the number one option in this industry.

We believe with our strategic planning we offer complete service to all our clients in the logistics and forwarding services in Zambia, into and from the World. We also have a new truck parking area which can accommodate 300 to 500 trucks with facilities for driver parking at our yard. Fortified by the highly demanding nature of the business, we have evolved to become a total regional supplier of global logistics.
